4 Girls make a right hand Star and turn it $1\frac{1}{4}$

Couples in positions one and two do a Half Sashay

Side positions Pass Thru / Separate around 1 to a line (should have 3 girls in one line and 3 boys in the other)

The 3 boys and the 3 girls make a Right Hand Star and turn it exactly $\frac{1}{2}$ and back out to a line. (4 boys & 4 girls facing)

Lines pass Thru and BTL
4 Boys and 4 girls each make a Right hand star and turn it exactly $\frac{1}{2}$

Centre 4 make a Left hand Star and turn it $\frac{1}{2}$

Lines Pass Thru and W&D
Those couples which are normal Zoom / others Half Sashay, Centres Pass Thru and AL & R&LG
